

# Will BYU Keep Social Units?

## Daily Universe

No. 112 Thursday, March 23, 1961 Provo, Utah

**‘LL HAPEN? —** Discussing happenings of a unit meeting Wednesday identified rushers, members and guest students. During the meeting

units chose to voluntarily tell whether or not they have broken the rush rule on padding.

## Rushes Rise As Stevenson, Gromyko Participate In Disarmament Talks

**UNITED NATIONS, N. Y., March 25—** Diplomats expressed hope today that a disarmament between the United States and Russia would break the logjam that has stalled the general assembly for more than three weeks.

**AMBASSADOR Adlai E. Stevenson** last night that he had attained a “usable” agreement with Soviet Foreign Minister Andrei Gromyko on how the would be handled in the current session. But Stevenson said differences remained and more talks may be required. The two met for nearly two hours in the latest of a series of private sessions on the subject.

Delegates felt disarmament was the general agreement on what items

should be discussed before the assembly adjourns on April 21. Once it was determined how disarmament negotiations should proceed, they believed, the other pieces would fall into place.

**A U.S. SPOKESMAN** said the two draft resolutions, discussed by Stevenson and Gromyko, dealt with procedural aspects of disarmament talks rather than principles. He said there still were differences over the participants and the time that negotiations should begin.

It has been known that Russia wants 15 nations to participate while the United States favors only 12. An informed source said there is a likelihood that a compromise may settle on 13.

## ‘Dribble’ Classes to Give Assemblies This Friday

The class assembly, “Color in Music,” will be presented this Friday in the Smith Auditorium.

**SEMBLY DIRECTOR** is Crawford Gates, who will direct the program. Doctor Gates also wrote the script. The program will concern five classes of musical instruments and their individual sounds and performances.

Among the groups will be, Carleton Wheelchel, brass; Naomi Boyer, woodwind; Loya Vance, strings; Sheller, harp and percussion; vocie, Vaughan McMurdie Madrigal Singers.

**CH GROUP** will demonstrate alone, then play in different musical combinations.

The purpose of this particular theme, according to Dr. Gates, “to acquaint the students with the qualities and the various orchestral instruments and what makes them tick.”

The assembly will begin at 10 a.m.

The sophomore class will present the Program Bureau first individual assembly being held Friday.

**THE ASSEMBLY**, entitled “Around the World,” will be an opener including dancing and singing, a number of International Dancers, vocal selections by Gordon Bowen and Sharon Preece will sing.

**ARM NIELSON** is student director of the program, will begin at 10 a.m. in Smith Fieldhouse.

## Student Petition Gets 500 Signatures; Units Should ‘Clean Up or Get Out’

by Don Woodward  
Daily Universe Editor  
Brigham Young University students will vote on the long-simmering question of whether or not they want social units in the coming studentbody elections.

**A SURPRISE PETITION** is being circulated asking that the question of continuance of social units on campus be put to vote. It quickly gathered enough signatures to place it on the ballot. More than 500 students have already signed the petition.

The petition was circulated by a group of students who said their purpose was to get the social units to either “clean up or get off campus.”

**GEORGE MANGAN**, a spokesman of the group, said their action started with several complaints they had received of violations of rush procedures and unit activities. Others of the committee feel that the theory of social units is not in keeping with the philosophy of the university.

## Social Units Will Report Infractions

by Rita Wheeler  
Universe Managing Editor

Members of men's social units were given an ultimatum Wednesday evening and in a closed meeting chose to report—on their own—whether or not they have broken rush rules.

**ACCORDING** to student coordinator Paul Felt, several men's units have been accused of padding even though Central Rush Committee rules expressly forbid it. Rushes of every men's unit were represented at the special meeting.

At the meeting Inter-Organization Council president Klane Forsgren appealed to unit hopefuls and old members to abide by the rules they themselves had established to upgrade rush procedures.

**DURING** the meeting unit members were told they could caucus and then report to Central Rush chairman Bob Dalnes whether or not they have done any padding during rush this year. Those who report infractions of the rules will be tried before the IOC court, Felt said.

The rules require punishment of the entire unit for infractions dealing with padding. Forsgren said, “For the first time rush rules are being enforced.”

Mangan was Chief Justice of the ASBYU Supreme Court last semester and is a member of the court this semester. However, the movement has not been endorsed by the student government.

**HE EMPHASIZED** that some units have conducted themselves very well during rush week.

The petition reads: “We, the undersigned students of the Brigham Young University, request that the question of the continuance of social units on this campus be put to a vote of this studentbody during the coming election. If the majority of the students voting vote to discontinue social units, then we request that the proper action be taken immediately to remove all social units from this campus.”

Should the measure be passed by majority vote of the students, it will still not necessarily mean banishment of units, according to Mangan. “It will serve as a mandate to units to either clean up or face extinction,” he said.

Among signs of the petition were many social unit members.

The question apparently will now be put before students during election of studentbody officers. According to the ASBYU constitution, only five per cent of the studentbody is required to sign the petition, which means there are already enough to put it on the ballot.

**THE CONSTITUTION** says: “Any members or members of the studentbody may, by submitting a petition to the Senate signed by five per cent of the studentbody, cause a bill to be submitted to the studentbody for a referendum. The bill shall become a law upon a concurring vote of a majority of those voting at a balloting where 15 per cent or more of the studentbody vote.”

## Names ‘Dribble’ In For BYU Offices

Nine people have jumped on the election bandwagon since Monday's official nomination meeting. Nominations have been extended until Friday by Rich Boyce, elections chairman.

**NEW CANDIDATES** and their offices include sophomores: Jim Olsen, president; Douglas Jensen, senator; Les Gifford, vice president; Marion Stewart, Mary Jo Mulliner, secretary.

For junior offices Howard E. Abrams, for president and Richard L. Norton, Marvin J. Bell and Marden Dixon, for senator have also declared candidacy. For senior senator Judith Jacob, Jackie Richardson and Sherill Denzley have declared candidacy.

**OUTLAWED—A Viking scrub poses—prepares for a vigorous whop. But it's only for the picture. Central Rush rules forbid padding—and violators must appear before the IOC court.** (Photo by Larry Latimer)

Democrats, previous announced for Wednesday at 7:30 p.m. will be held Thursday at 7:30 p.m. in 184 Knight Bldg.

## DATING

PINNING HER.

THE FIRST GIRL TO WALK HOME FROM A DATE.

## Diamond Jubilee

With just two days of the new season spent, spring is already collecting a new total of engagements. Some of those caught in the web are:

Pat Noyes, a sophomore from Billings, Montana, recently became engaged to Fred Goldsberry, a junior from Elko, Nevada. She is a member of Nautilus and a business major. He is a marketing major. A late August wedding is being planned.

A September wedding is planned for Donna Garrett of Battle Creek, Michigan, and Robert N. Harris of Silverton, Oregon.

Paul Whitesides, from Downey, California, recently became engaged to Betty Weaver, a freshman, journalism major, from Eagle, Idaho. He is an optometry major. She is a society writer for the Daily Universe and is on the Banquet staff.

Richard Taylor Peery, a senior economics major from Palo Alto, California, and Marcell Campbell, a freshman art major from Newport Beach, California, are planning to be married at the end of the summer.

See Call and David Smith, both of Ontario, Oregon, have recently announced their engagement. He is now serving on a South Brazilian Mission.

Hugh Greathouse, a junior pre-med major, from Alamosa, Colorado, and Rosemar Burtenshaw from Blanding, Utah, are planning a June 21 wedding. Rosemar is a junior, majoring in art.

A September wedding is being planned for JoAnn Haslam, from Denver, Colorado and Tom Brown, a member of Intercollegiate Knights from Pensacola, Fla.

Information about engagements, pinnings and marriages for the Diamond Jubilee column in addition to information about missions and organization meetings will be published in the Daily Universe Editorial office, 142 Clark Student Service Center.

## This Year's New Academy Award Nominees Include Both Old Film Favorites and New Stars

by Joseph Finnigan  
UPI Hollywood Correspondent  
HOLLYWOOD, (UPI) — The field of nominees for this year's academy awards in best actor and actress categories contains former Oscar holders, but supporting performance competition is without a single winner of Hollywood's highest accolade.

Many of those named in contention for best supporting actor or actress have never even been nominated for the little statuette that will be handed out next month.

Although some supporting players are familiar to moviegoers, a few of the names will cause head scratching and "who's he?" inquiries.

For instance, people like Peter Falk and Jack Kruschen, although capable actors, are known only to a limited amount of picture fans.

But even though they're relatively unknown, either of the two can run off with a gold statuette this year. Kruschen turned in a masterful portrayal of a doctor in "The Apartment" the picture which got Jack Lemmon his best actor nomination.

Kruschen was never nominated for an Oscar before. Neither was Falk, who earned his recognition after appearing in "Murder, Inc."

Veteran actor Chill Wills received his first nomination for a

supporting role in "The Alamo". Others in the race this year include Sal Mineo, "Fahrenheit 451," and Peter Ustinov, "Spartacus."

In the best supporting actress contention, none of the nominees ever was in the running for an academy award before. Here, we also find contenders who are unfamiliar to many movie viewers.

Shirley Knight, from "The Dark at the Top of the Stairs," is unfamiliar as is Mary Ure who was nominated for "Sons and Lovers."

Others in the running include Cissy Jones, "The Sunshiners," Shirley Jones, "Elmer Gantry" and Janet Leigh, "Psycho."

Supporting categories are not the only ones which contain newcomers this year.

Trevor Howard, "Sons and Lovers," is up for the first time as a contender for best actor although he long has been one of England's top stars. Melina Mercouri, "Never on Sunday," is among the best actress nominees for her initial try.

Despite the fact that some of this year's hopefuls have never been in contention before, there is always a chance that they can win out over people like Spencer Tracy, seven nominations, and Greer Garson, also seven.

Such performers as Simone Signoret, Ernest Borgnine, Red Buttons, Burl Ives, Hugh Griffith and others have walked off the stage with Oscars with their first try.

## Phi Chi Theta Dinner Dance Slated Friday

Gals with an eye to the business world, members of Phi Chi Theta, will journey to the Homestead in Heber for their annual dinner dance Friday.

"Dixie Dreamland" will be the atmosphere behind dinner and dancing.

John Hart will act as master of ceremonies during the program when the selection of Miss Phi Chi Theta will be announced.

The dress will be semi-formal. Favors will be given to members and their dates as they enter the ballroom.

## Dorm Sets Invitation

Knight-Mangum girls will see each other in semi-formal wear Friday night, a great change from the usual duster and brush-roll combination outfit that is common in dorms.

Dancing to the K. B. Quintet will begin at 8:30 p.m. at the annual Knight Mangum invitational. Refreshments and decorations will follow a spring theme.

Pat's Dead . . .

## Brigs Hold Ball

Pat Murphy is dead . . . He's a mythical Brigadier who conveniently dies every year about this time so that the Bowery Ball can come off on schedule.

HIS BODY, placed in a specially-built casket, will be picked up by a hearse. Brigadiers and their dates will then form a traditional funeral procession through campus and Provo to the Policemans Lodge where funeral services will be held.

The services will quickly turn into a gay-innocent post-funeral party. The Brigadier Guard will add to the atmosphere by rendering some old melodies.

COSTUMES designed especially for the occasion will be judged and prizes given for the most original. Refreshments will consist of pretzels, root beer, made and bottled for the occasion by Brigadier pledges.

## Goal of the Mission . . .

### Students Get Missionary Spirit

As more missionaries don dark suits and hats and headsets of labor all over the world, Brigham Young University seems to lose more than its share as the following to suggest:

Jim Mangum, sophomore from Provo, Utah, has been to serve in the Gulf States Mission. He was a member of Arizona Club.

Keith Merrill, junior from Framington, Utah, has been to the Danish Mission. He was a member of the Golden social unit, majoring in art.

Political science major Paul E. Nelson will go to the German States Mission. He was vice president of the Golden social unit and served on the junior AMS council. Donald Smith, sophomore from Twin Falls, Idaho, will go to the North British Mission.

David Smith, sophomore from Ontario, Oregon, will go to the Brazilian South Mission.

Elroy Cammack, junior from Ontario, Oregon, has been to serve in the Northwestern States Mission.

Alvin Sunstien, freshman from Springville, Utah, is in mission home this week prior to his departure to the British Mission.

Earl Nielson, freshman from Springville, Utah, will soon for the Western States Mission.

## Sigma Phi Sigma Attends Conference

Nine Brigham Young University Sigma Phi Sigma, national physics honorary group, traveled to the organization's regional conference at the University of Colorado last week.

The BYU delegation was larger than any of the other participating schools, including the host university.

HIGHLIGHTS of the conference included a welcome address by Dr. Wayne B. Hales of BYU, regional coordinator; papers read by BYU students: Ronald Merrill on the "Diffusion of Silver into Lead at Ultra-high Pressures" and Martell Gee on Electron Spin Resonance, and the decision to hold next year's conference at BYU.

The BYU delegation was particularly interested in a tour which they took of the Colorado university's cyclotron building and high altitude observatory.

BYU DELEGATES were Gordon Stokes, chapter president; Walter Hill, Roy Bennion, John Beardsall, Martell Gee, Ronald Merrill, Lewis Muhlestein, Dr. Wayne B. Hales, regional coordinator; and Dr. Daniel Decker.

The old-fashioned fabric with its sturdy weave comes in several modern guises in spring and summer collections including shorts, skirt-length culottes and sunbask dresses.

TICKING IS ONE of several "country" fabrics starring in active sportswear and patio clothes. The others are denim, sack cloth, calico and bandana prints, prints with country garden motifs of flowers and vegetables, and gingham. Old-fashioned tating appears in new machine-made edgings on dresses and active sportswear clothes.

Woven seersucker also reappears and it is a rare firm in these parts which does not feature synthetics which simulate woolle and bastille.

# Lobo Thnclads Wait For Cats

ALBUQUERQUE—hopeful of continuing its role of giant killer, the University of New Mexico track team sits itself to take on the champs this week as Brigham Young University's perennial Skyline Conference kings come to town for a Saturday dual meet in UNM's Zimmerman Field.

The meet, reconed as a highlight of the 1961 track and field season in Albuquerque, will begin with events at 1:30 p.m. and running events at 2.

In spite of the fact that last week's meet was damped by rain and snow, there were some pretty good marks. New Mexico freshman Del Blanks set a school record in the broad jump with a leap of 25' 0 1/4", and sophomore John McMahon threw the javelin 221' 0" to serve notice that he may be one of the best spear men in the area.

AND the quarter-mile race between ASU Mal Spence and New Mexico's Adolph Plummer proved to be just as exciting as it had been billed.

Jamaica, won the struggle by about a stride and a half and posted the time of 47.1 seconds. Plummer, running the 440 for only the second time this season, was timed at 47.4 for his second place, the same time with which he set a Skyline record last season.

PLUMMER went on to win the 220-yd. dash in 21.8.

Another top New Mexico performance came from veteran R.P. Waters in the discus. In the face of slippery conditions Waters hurled the discus 153' 3" for first place.

NEW MEXICO scored surprising sweeps in both the mile and two-mile against Arizona State, and, in addition to win-

ing six first places, the Lobos took eight second places, tied for two others, and won nine third places, indicating that New Mexico has more depth this year than ever before.

Hockett figures that he will need all the depth possible if the Wolfpack is to capture its first victory in history over Brigham Young.

The following is a list of the probable strongest New Mexico entries in each event for this week. The marks listed are best performances posted to date this season. 100-yd. dash: George Heard, sophomore, 39.9 (against Texas Tech). 100-yd. dash: Adolph Plummer, sophomore, 21.8 (Against NM Western). 440-yd. dash: Plummer, 47.4 (non-winning time against ASU). 800-yd. run: Pete Brown, sophomore, 1:59.1 (non-winning time against ASU). Mile run: Stan Hayes, junior, 4:28.7 (against New Mexico Western). 2-mile run: Dean Johnson, freshman, 10:02.0 (Against New Mexico Western). Low hurdles: Heard, 24.9 (Against New Mexico State). High hurdles: Del Blanks, freshman, 35.4 (Against New Mexico Western). Mile relay: Jim Whitfield, Tim Barnes, Brown, Plummer, 3:09.9 (Against Texas Tech). Javelin: John McMahon, sophomore, 221' 0" (Against Arizona State U.). Discus: W.R. Waters, junior, 158' 23/8" (Against New Mexico State). Shot put: Andy Sinclair, junior, 51' 65" (Non-winning against ASU). Broad jump: Blanks, 25' 0 1/4" (Against Arizona State U.). High jump: Herb Bradford, sophomore, 6' 1 1/2" (Against New Mexico State). Pole vault: Don Batte, freshman, 13' 2" (Non-winning against Texas Tech).

CAT MATMEN—Pictured above are the four BYU wrestlers who placed in the recent Skyline Conference championships

in Laramie, Wyoming. Left to right they are Leroy Davies, Phil Kresge, Steve Goodsell and Kent Horne.

## Heavyweight Horne Off to Finals

### BU Nets Fourth in Skyline Wrestling

by Alf Pratte

Universe Sports Writer

Massive Kent Horne, the Brigham Young University physical education major who makes a habit of sitting on people, will represent the Skyline Conference in the heavyweight division of the NCAA wrestling championships to be held in Corvallis, Ore., this weekend.

HORNE LEFT Tuesday for the coast state with Coach Carl Blair. The pair will return to Provo on Sunday.

The "man mountain" of the Skyline confab, Horne escaped the clutches of Wyoming's Warren Dawson with 10 seconds left in the conference finals recently, and went on to drop the Cowboy wrestler to take first in the heavyweight division of the Skyline Conference.

THE UNTIMELY defeat left Wyoming in a first place tie with Colorado State University in the wrestling finale held on the

Cowboys home floor in Memorial Fieldhouse in Laramie.

In spite of Hornes decision, Brigham Young University could do no more than finish fourth in the seven team loop, following Utah who finished third with 33 points.

BOTH WYOMING and Colorado State University compiled an aggregate of 79 points for the first tie with the 13-year history of Skyline "wrestling" championships. Wyoming has won nine times.

Phil Kresge, Steve Goodsell and Leroy Davies were the only other Cats to place high among the matmen who fought it out for two nights to determine conference wrestling supremacy.

KRESGE placed third in the 157-pound class after Ron Erickson, CSU, and Dave Wright, Wyoming.

Goodsell was preceded by Colorado's Nick Kohls and Howard Collings in the 191-pound division.

DAVIES was fourth in the 147 pound class after Dave Robinson, Utah; Bob Gaskill, CSU and Joe Chelvisg, Wyoming.

Denver finished fifth in the finals; New Mexico was sixth and Utah State finished in cellar.

FIVE COLORADO STATE wrestlers took firsts in the five divisions. They included: Sanchez, 123-pound; Cien Gonzales, 130-pound; Erickson, 157-pound; Bob Burge, 167-pound and Kohls.

The other championships went to Clair Argente, Wyoming, 11-pound and Frank Hankin, 12-pound in the 167-pound class.

SECOND PLACE went to Hansen, Jim Guzman, D Wright, Hugh Lowham and Howard Collings of Wyoming. Ed Apodaca and Butch Douth DU and Bob Gaskill of CSU Dawson picked up the other and place.

Horne attained the right meet Dawson in the final overpowering Utah's Muz Johnson. Dawson won out of Chuck Clawson of New Mexico.

KRESGE's victory was C.D.'s Bob Taylor while Goodson by default over Hank A. by, Utah in the consolation championships.

## Pro's Set Finals; LA vs-Hawks, Nats Play Celts

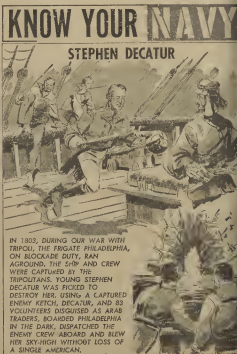

by United Press International

The way Elgin Baylor and the Los Angeles Lakers are playing of late, don't be too surprised if they roll right over the St. Louis Hawks and wind up in the National Basketball Association's final playoff series.

BAYLOR, WHO averaged 39.4 points a game in Los Angeles' 3-2 western division semi-final victory over the Detroit Pistons, took right up against the St. Louis Hawks Tuesday night in the opening game of the division final series by scoring 44 points.

The two clubs play again Tuesday night at St. Louis in the second game of the best-of-seven playoff to determine the division champion. The series shifts to Los Angeles for the third and fourth games, March 24 and 25, and returns to St. Louis for the fifth game, if necessary, March 27. The sixth game is set for Los Angeles, March 29, and the seventh for St. Louis, April 1.

WHILE ON THE way to his fine scoring achievement, Baylor finished in four key points in the final 78 seconds to push the Lakers out of St. Louis' reach. Jerry West chipped in with 27 points for the Lakers, while Bob Pettit paced the Hawks with 28. Meanwhile, in the eastern division final playoff series, the Syracuse Nationals, paced by "old pro" Dolph Schayes, hustled to a 115-98 victory over the defending champion Boston Celtics to even the series at one victory apiece.

# Cribblers Enter Fourth Day

## College M Men Journey Begins

During the College Division 1961 All-Church tournament, Arizona State whipped Junior College 58-32.

Briggs of the Flagstaff quint paced the winners 10 and 12 points, respectively. Charles Brinkhoff of Dixie.

**WELL-BALANCED** Unit of Utah 4th squad out-Ricks College 61-56. Utah men in double figures, including Dan Miles with 19, Young and Bill Smith 15 each, and Rich Rawlins 9.

The tourney's highest contest so far, Utah State over University of Nebraska 84-32. The unstoppable five was led by Darrell Smith's 21 points. Don Burton 18 and Paul Rasmussen 18 in the one-sided battle.

Utah Young University's 15th Ward advanced to the main stoppage of the tourney, stopping the University of Michigan cold by a 84-32 margin. Jones, Moe, Belpap, Mortensen all saw double figures as BYU had an easy time of their opener.

Utah's action will begin at 10 a.m. in the fieldhouse with consolation bracket getting underway. It will be Michigan and Ricks vs. Nevada. Games start at 2:30. Utah will clash with Utah at 5 p.m.; BYU will take on Utah at 5:00 p.m. in championship tilts.

**FRANTIC FANS**—Interest is running higher as the All-Church tourney enters its last days.

## Bureau Travels to California

The Program Bureau is again touring California. The Star Dust Review featuring every performer as a star, is being presented in Southern California. The purpose of the trip is to take the spirit of BYU to high school students and friends. The group left March 19th and will present the last show in Las Vegas on March 26.

An entirely different group than visited Northern California are in the tour. Performing are

the Y's Men with Dick Ballau and variety talent selected by Janie Thompson.

Performance will be given in the following high schools: Riverside Polytechnic, Mount Rubidoux, Whittier, Sunny Hill and Westchester. Shows will also be given at Disneyland and at stake houses. If time permits the group will visit the Los Angeles Temple, Marineland of the Pacific and Tijuana.

## M Men Quarter Finals Drop California Teams

by Phil McKnight  
Universe Sports Writer

The 1961 All-Church tournament swept through the quarter-finals in eight rough and tumble games as eight more hopefuls fell by the wayside.

In the semi-finals, which get underway today at 5:15, Las Vegas will lock horns with Ogden 12th and Pioneer 1st will meet Laramie 2nd.

**FORMER LITTLE** All-American Terry Tobbs staged a private duel with ex-BYU'er Stan Gleave in leading the polished Las Vegas club to a 65-54 victory over Orem 20th. Gleave had been the tournament's leading scorer going into the game and it was chiefly due to his dazzling play-making and soft shots that Orem was able to stay in the game. Big Bob Ipsen tanked 26 points for the losers, but he and Gleave did not receive enough help from the supporting cast.

**TBBS CAPTURED** the fancy of the some 1200 fans with his tricky ball handling and clutch shooting. He netted 27 points for the evening while holding his rival Gleave to 19.

Sure-footed Laramie surprised Bountiful 16th 68-58 and became "Cinderella" of the tourney. Harold Gardner once again engineered his forces to a methodical-like victory. He collected 23 points and demoralized his foes with his consistent ball-stealing and classy assists. Barry Hunter pumped in 17 more Laramie points; and Jay Brown had 21 for Bountiful.

**GARY CRANDALL** jumped into the scoring lead with 38 points against Grant 8th on the way to a 67-52 victory. The exit of 6'4" Lynn Gleave with four minutes remaining gave Grant their chance, but they were unable to contain Crandall who broke their backs with several buckets and free throws in the waning minutes.

**OGDEN OUTCLASSED** North Hollywood 51-39 paced by Ted Smith's 23 markers. Hollywood juggled their defenses constantly, but could not stop the incredible Smith who scored at will.

In the consolations, Fielding and South Escalante squeaked by their opponents by identical 52-50 scores. Fielding nipped Burley 7th behind Gerry Gern's 17 points. South Escalante's James Spencer garnered 25 points against Whittier.

**SNOWFLAKE** had an easier time of it at Deo Wilcox sank 21 points in a 76-46 victory over Hillspring. Logan 18th met with more resistance against Mapleton, but Don Budge's 29 points were enough to pull out a 71-65 win.

# CONSTITUTION

(Continued from page 4)

rently president, vice president, senator or class executive officers. (2) No student may hold concurrently more than one of these positions, or a judicial position, or a presidential position established under this constitution, or a position of membership in the AYIS or AYIS' Council.

## Section II: General Qualifications

All candidates for all elective offices under this constitution and all judges must possess an accumulative grade point average of 2.5 for all 1st semester credit or a 3.0 grade point average for the one semester prior to assuming office.

## ARTICLE X—RECALL

(1) A student officer, class officer, or justice, after a fair hearing before the senate, may be recalled by a three-fourths vote of the senate as a result of an act or acts incompatible with the standards or laws of Brigham Young University.

(2) When a student body president or vice president is tried, the chief justice of the supreme court shall preside over the hearing.

(3) Failure by any officer under this constitution to maintain a 2.0 grade point average for subjects taken while in office shall result in automatic dismissal from office.

## ARTICLE XI—AMENDMENTS

(1) Amendments to this constitution may be initiated by a concurring vote of two-thirds of the senators or by petition procured to the senate signed by ten percent of the members of the student body.

(2) The proposed amendment shall be published in the student newspaper and posted on conspicuous bulletin boards ten school days prior to the date that amendments are submitted to the student body for ratification.

(3) The senate shall call and publicize forum for the discussion of proposed amendments. This forum shall be held more than ten school days prior to substantial ratification.

(4) Amendments shall become a part of this constitution upon a concurring vote of a majority of those voting at a balloting where twenty five per cent or more of the student body votes.

## ARTICLE XII—INITIATIVE AND REFERENDUM

(1) Any bill signed by two per cent of the student body may be submitted to the senate. In this event the senate shall consider and vote on the bill in the same manner as would be done with a bill originating in the senate.

(2) Any member or members of the student body may submit a petition to the senate signed by five per cent of the student body to cause a bill to be submitted to the student body for referendum. The bill shall become a law upon a concurring vote of a majority of those voting at a balloting where fifteen per cent or more of the student body votes.

## ARTICLE XIII—SUMMER SCHOOL

Summer School officers shall be elected by the students attending summer school. They shall have the authority to establish and supervise activities carried out during the Summer term except that they shall have no jurisdiction over activities occurring during the summer term which have previously been assigned to be carried out under the jurisdiction of the student body president elected under Article III of this constitution. The tenure of Summer School officers shall be for the duration of the summer term during which they are elected. The senate may by law establish the offices and procedures for election of these officers and may also designate duties to be performed by these officers.

## ARTICLE XIV—RATIFICATION

Ratification of this constitution shall take the following oath of a majority of those voting at a balloting of the student body.

## ARTICLE XV—OATH OF JUSTICE

All officers under this constitution shall take the following oath of office upon installation.

"I, \_\_\_\_\_, do promise to accept the duties and responsibilities of \_\_\_\_\_ of the Associated Students of Brigham Young University (or \_\_\_\_\_ class or organization) and to perform them to the best of my ability, to uphold and enforce the provisions of the constitution of the Associated Students of Brigham Young University, to live in accordance with and encourage the standards of the University, to be honest in the financial matters of the University and of the Associated Students; (or \_\_\_\_\_ class or organization) to encourage a spirit of democracy and friendliness among students, and to maintain a creditable scholastic average in my academic work."

# Push Button Put in Cards; Work Done

by Onetta Sumson  
Universe Feature Writer

If you are a graduate student at Brigham Young University gathering statistics for a master's thesis, forget about your spread sheets and aching back!

Go to the Computer Research Center in the basement of the Knight Bldg. and have your data punched on IBM cards, slip these into a huge machine, punch a few buttons and out comes your statistics — all neatly punched on cards from which they may then be printed.

Amazing isn't it? BUSINESS or executive students may actually simulate several years of business experience in a matter of hours with the aid of the IBM machine.

The huge machine able to do such amazing feats is called the IBM 650 Electronic Computer. It is a magnetic drum machine storage locations for 40,000 digits for processing data. The drum revolves at the rate of 12,500 revolutions per minute.

THE HIGH rate of revolution makes it possible for the machine to perform arithmetical functions with tremendous speed. Calculating time is cut to a slight fraction of the manual labor required for the same operation.

This fantastic machine has a language all its own which the average layman would find as difficult to understand as a foreign tongue. SPACE, in computer, stands for business and commercial programming.

SOAP IT stands for optimized programming and FORTRAN SIT for scientific, engineering and statistical programming.

Think this is difficult to understand? C. Edwin Dean, the director of the research center, and his assistants converse with the computer as easily as you and I communicate with each other.

MR. DEAN has had extensive experience in electronic computer work and statistical analysis. He is a mathematician with experience at BYU and the University of Michigan and is well qualified for consultation and assisting in research work.

Guided tours for classes, civic groups and business organizations can be arranged by contacting Mr. Dean. He and his assistants are willing to discuss student problems and plans for computational work.
